How You Can
Make a Difference

The Sistership Dragon Boat Association provides opportunities, through the sport of dragon boating, for people diagnosed with breast cancer to foster wellness and partner with the community to heighten the profile and importance of breast health.

We rely on the generosity of organizations and the determination of individuals concerned with breast cancer awareness to support our journey to wellness.

This is a wonderful opportunity to get involved with an organization that supports women diagnosed with breast cancer.

Sponsorship opportunities range from your pennant flying at festivals to having your logo prominently displayed on the **Sistership** dragon boat.

Sistership is a charitable organization and a tax receipt will be issued for your contribution. Charitable Registration #87649 3610 RR0001

All donations are greatly appreciated
